## Education Bachelor of Arts in Media Arts & Sciences | 2013

*Wellesley College, Wellesley, Massachusetts*

Study focused equally on art theory and production; computer science; and their overlap. Specialized in photography, with two years each of darkroom and digital experience.

## High School Diploma | 2009

*Alabama School of Math and Science, Mobile, Alabama*

Advanced Diploma with a Concentration in Creative Writing

## Experience Photography Agency Intern | Present

*Redeye Reps; Los Angeles, California*

Organized commercial/editorial portfolios in order to enhance job opportunities for artists represented by agency. Carefully examined and fixed the layout and color profiles of nine artists' portfolios to ensure printed copies matched the digital ones. Designed and printed a Valentine's Day flier and mailed out 2000 copies along with a box of promotional material in less than two weeks. Sat in and assisted artists with commercial/editorial shoots.

## Graphic Design Intern | Present

*RA MA Yoga Institute; Los Angeles, CA*

Managed all graphic design and web design duties, which included updating website design and content. Designed all the fliers for the institute's yoga sessions and activities. Assisted with company branding. Answered telephone calls and worked at the sales counter when needed.

## Library and Technology Services/Media Specialist | 2009-2012

*Margaret Clapp Library; Wellesley, Massachusetts*

Answered patron's questions in person and on the phone, directed patrons, shelved material, cataloged material, entered information into a database, and lent electronics used for multimedia projects.
